- 23. The Operator assigns each User an appropriate risk category in accordance with the Act of March 1, 2018 (Journal of Laws, item 723) on Counteracting Money Laundering and Terrorist Financing.
- 24. In the event of a higher risk of money laundering or terrorist financing, as well as in cases specified in the Anti-Money Laundering Regulations, the Operator may apply enhanced financial security measures, including those related to the identification and verification of the identity of the User, the person authorized to act on his behalf and the Beneficiary real.
- 25. In the absence of a positive verification referred to in paragraph 8-11, i.e. when it does not allow to confirm the authenticity and compliance of the data referred to in sec. 7, The User may not use the services provided under the Account until the authenticity and compliance of this data is confirmed, and in addition, the Operator may terminate the Agreement with the User in such a case.

CHAPTER III

Payment and identification of funds

§1

1. The payment consists in the User transferring funds to the appropriate Bank Account maintained by the Operator on the basis of the data provided by the User, in particular by providing an individual code.
2. The User is obliged to mark the transfer referred to in § 1 section 1 unique identifier assigned during registration.
3. The payment made by the User will be recorded on the User Account in the actual amount received by the Operator, less fees and commissions charged by the intermediary bank. The User is obliged to cover all costs of the transfer and any costs that will be charged to the Operator by intermediary banks, in accordance with the tariffs of fees and commissions applied by intermediary banks.

4. The Operator may return the funds to the User's account in the event of discrepancies between the data resulting from the Registration form and the data from the transfer. In particular, when the transfer of funds was made from a third party's bank account.
5. In the event of justified doubts as to the compliance of the data, the Operator may ask the User for clarification.
6. In the event of obvious errors, personal data may be corrected by the Operator, about which the User will be notified by e-mail sent to the address provided on the Website.
7. If the reason for the data discrepancy is not determined, the Operator immediately returns the amount of the received transfer to the bank account from which the transfer was made, less the cost of returning the funds.
8. The return transfer will be made no later than within 30 days. Deposited funds in the User's account intended for return are not interest-bearing.
9. If the User's verification is successful, the funds automatically appear in the Customer Panel.
10. The User has the option of withdrawing funds that he has deposited into the Operator's bank account. The User may issue an instruction to withdraw funds until the Currency Exchange Transaction is approved. Refunds can only be made to the bank account from which the payment was made. The return date is specified in point 8, §1, chapter III of these regulations.
11. Deposits made by foreign customers are subject to additional verification before the withdrawal of funds from the Xkantor.com platform, in particular the obligation of the Operator to provide additional information on request in order to perform additional verification, if necessary to ensure compliance with the law. The customer should additionally submit a second identity document, confirmation of the place of residence and complete the document provided by the Customer Service Department.

CHAPTER IV

3. The Operator accepts only Currency Exchange Orders for which the User has full coverage from the funds in the Wallet in the currency that has been paid to the Website.
4. In the "Exchange Currency" tab, the User selects the currency he wants to sell and indicates its volume, as well as the currency he wants to buy. Then, a window summarizing the ordered transaction is displayed. The User confirms the Currency Exchange Transaction by clicking the "Confirm" button. After the execution of the Currency Exchange Transaction, the User will

receive a message about the successful completion of the operation and the availability of funds in the Currency Wallet.

5. The Currency Exchange Order may be subject to all funds accumulated on the User's Account or any part of them, equal to or greater than one unit in a given currency.
6. Therefore, the amount that the User orders to be exchanged cannot be less than: 1 PLN, 1 EUR, 1 USD, 1 GBP, 1 CHF, 1 SEK, 1 NOK, 1 DKK, 1 CZK, 10 CNY, 100 JPY.
7. The Operator provides on the website available after logging in to the User Account current exchange rates for buying and selling currencies within the Website.

CHAPTER V

Proofs of purchase and sale

§1

1. The Operator is obliged to provide the User, upon request, with a proof confirming the performance of the service related to the currency exchange transaction.
2. Each time, transaction proofs are available to the User in electronic form for download in the appropriate place in the Customer Panel.
3. The operator guarantees the authenticity of the origin and integrity of the content of issued and sent documents.
4. Proofs confirming the purchase of currency are issued in accordance with the User's registration data.

CHAPTER VI

Fee Policy

§1

1. Registration and use of the currency calculator is a service provided to the User free of charge.
2. The User is charged with bank fees and other costs related to the performed banking operations and commissions according to the TOIPR of a given bank. However, these fees are increased according to the updates made on the side of a given bank.
3. The user has the right to dispose of his funds at any time after carrying out a currency exchange transaction.
4. Withdrawal of funds to an account other than the one from which they were deposited, and not listed on the website, will be canceled and will result in blocking the account. Two events of this type result in a fee of PLN 50.

5. Payments made to an incorrect account number that is no longer used by Payholding International sp. z oo sp.k. will be credited to the customer's account in accordance with the electronic instruction submitted by the website user. Repeating such an event twice will result in a fee of PLN 50.
6. In the case of suspicious transactions by foreign clients, additional fees may be charged for conducting the explanatory procedure, depending on the type of case. According to the Service TOIPR.

CHAPTER VII

Disbursement of funds

§1

1. Submission of the withdrawal order is made in the Customer Panel after the currency exchange transaction, which requires confirmation with an SMS code sent to the User's phone number assigned to the account at Xkantor.com.
2. The deadline for the withdrawal and the receipt of funds to the bank account defined in the User's Account depends on the bank to which the withdrawal is ordered, the type of transfer and the working hours of the banking system.
3. The minimum amount that the User can order for withdrawal is: PLN 10, EUR 5, USD 5, GBP 5, CHF 5, SEK 10, NOK 10, DKK 10, CZK 10, CNY 100, JPY 1000.
